Steven Shelton
Digital/Learning Special Projects Resident
113 Hale
K-State Libraries

Dear Steven,

Thanks so much for your help in coordinating Open House. From what I hear, set up went swimmingly and I owe that to your willingness to sacrifice a very early Saturday morning. Thanks too for your help in creating the programming for this year; it was a tremendous change from previous and I think we improved upon K-State Libraries' Open House contribution by leaps and bounds.

Thank you
Sincerely,

Daniel Ireton
CC: Sara Kearns, Instruction Coordinator
